The conceptualization of identification distinguishes six dimensions: a spatiotemporal, a perceptual, a cognitive, a moral, an emotional, and an embodied dimension. She currently teaches at the Media Department of Stockholm University. In Italy the series is available on Tim Vision and, similarly to the American one. Its popular blend of gruesome murders, gore and eroticism inspired numerous Hollywood productions such as Brian De Palma's Dressed to Kill and William Friedkin's Jade to name just a. Using techniques of the pentimento and the slowness of time-lapse photography, his practice positioned itself between media, later expanded into projections for opera and transnational statements, for example in response to the trauma of the current global refugee crisis. Unlike many other directors who inject metacinematic motifs in their work rather sporadically, Tornatore Tale e Quale (Italian Edition) a serious and consistent elaboration of this theme throughout his filmography, so much so that it is not unreasonable to classify self-reflexivity as a defining characteristic of his signature style as an auteur.
