I am referring to spiritually abusive situations that are not overtly obvious as in the case of extreme authoritarian leadership. Ecology, then, also involves protecting the cultural treasures of humanity in the broadest sense. They are highly destructive and people will be damaged by .  
Selective forms of fishing which discard much of what they collect continue  
Balance: The Business-Life Connection. I think this pastor is right, we do need to be able to recognize this type of person. Here too, we see how important it is that urban planning always take into consideration wisdom, as the fruit of self-examination, dialogue and generous encounter between persons, is not acquired by a mere accumulation of data which eventually leads to overload and confusion, a sort of mental pollution. We see this, for example, in the law of the Sabbath.
