This program has been largely repudiated by eyewitness survivors. The Hs had a lb. More than half of them never survived to tell their story. What a tragedy

We watched as the ship went down to the very end. Recall the recent fate of Judge
didn't know about this one. The The Rohna Disaster attack was such a shocking success, and the American tragedy so severe, that what happened with the Rohna was completely hushed up during the war and still has not made its way into history books.
