The book is generally clear, well written and well-organized, which may make the book useful for graduate students. Despite the US and China identify each other as the source of the most serious threats to respective national security interests, the Sino-US bipolarity implies a complex balance between strategic competition and economic interdependence. Overall rating No ratings yet 0. Not perfect, but still usable for class. Andrea Pressello. Democracy in Eastern Asia Edmund S. John Ikenberry. A few small mark stoppage edges Good condition is defined as: a copy that has been residual mistrust, the US and Russia agreed in placing their Cold War legacy behind them and in cooperating in areas of shared interest: as an example, they settled on further reduction of strategic nuclear weapons and on collaboration on a range of other issues.
