After the injections he leaves immediately. The Aspie, Adam,  
is 29 years old, and is very immature for his age; having been  
over-protected by his father, he does not even have a driver's  
license because he always had Daddy to drive him around and  
help him with every little thing; Adam is thus a very  
dependent personality. The first is a book about a group of  
college women and their lives after graduation.
