He was a well educated Economic theorist who did his research thoroughly. Imagine in Iran! But there is no evidence. What kind of work do these religious groups do? Thank you for being with us. While Islamist groups have carried out the attacks, the failure of the authorities at the local and national levels to take serious action against those responsible has created a climate in Indonesia in which members of minority religious communities have much to fear. In Sampang, on Madura island, in October the ministry was involved in pressuring a Shia cleric to stop Shia activities in his village. I would encourage all of us here to streamline, to work tirelessly to help these people and put away our political differences on this issue. February 28, it would be a fateful decision. Sorry, but I really don't have enough faith to be an atheist.
