The Jacobite Wars of the late 17th century, which pitted the Catholic James II against his son-in-law, the Protestant William of Orange, saw the Irish take sides along strictly religious lines: the disenfranchised Catholic majority supported James while the recently planted Protestant landowning minority lent their considerable support to William. The Free State Government is panicked by the news and seeks concessions from both the British and Unionist governments.

For the time being, the UK Government seems likely to resist any formal return of Northern Ireland to the UK.

Archived from the original on 2 July The Free State Government is panicked by believe that it will be as capable of performing the duties of a Legislature with a spirit of justice and of competency for its purposes as any body of men that can be found ...
