It did so in the belief that an unfettered process of globalisation tended to generate inequalities, 18 and that Brazil and other South American countries would need to develop the skills and capabilities needed to become effective global players. I come to you, today, my beloved Egyptian people, and I wear no bullet-proof vest, because I am confident, as I trust God and I trust you, and I fear only God.

It is important that non-monetary values are treated as such as they sit alongside monetary based measures and often supersede them in the importance which they are given by

citizens across the fabrics of society. This doleful prospect has not yet fully sunk in. Given the external debt crises in Latin American countries, it was also necessary to act in concert in order to restructure their debt agreements with private creditors.

AUS-China joint humanitarian assistance and disaster relief exercise was in any case, this happened only rarely.
