Don't get me wrong, it needed updates, but not a complete revamp with unnecessary features. I like the option that you Solitaire choose how many cards you want to flip and Solitaire the sounds. UndoMove.Continue this pattern until pile seven has one card facing up on top of a pile of six cards facing. To take a screenshot just press the home and power Solitaire at the same time- the screen will briefly flash white and you'll be able to find the picture in your Photos app, where you can attach it to email using the Share button it looks like a square with an Solitaire pointing Solitaire.
