Helen of Troy - New World Encyclopedia

In Greek mythology, Helen of Troy is known as the woman whose beauty sparked the Trojan War. But Helen's character is more complex than it seems.

Was Helen really to blame for the Trojan War - or just a scapegoat?

Said to have 'the face that launched a thousand ships', Helen of Troy has been remembered, judged - and hated - by every age since she.

About Helen of Troy

Helen was the daughter of Leda and Tyndareus (though her true father was Zeus). Paris came to Sparta, the home of Helen and Menelaus, and visited as a royal guest. When Menelaus discovered the betrayal he called in the suitors' oath, and a great Greek army was amassed and sailed to.
