Why Some Kids Struggle The reasons why some kids struggle with reading. Really informative.

The price of the "GPA perspective": An empirical study of "making the grade." E.

Classroom management reflects the ways in which the teacher orchestrates high-quality instructional activities that help children take charge of their learning and eliminate unwanted behavioral and discipline problems. Tracking is especially harmful to poor and minority students because these students are more likely to end up in the low tracks. Feedback can focus on the clarification of the content and requirements of learning activities, advice on learning skills which students may adopt or suggestions for students on the skills of self-directed learning and the direction for reflection.

Rating Reviewer Review. DeAngelo, R. No matter how gilded or gutted its location—in city, suburb, or countryside—the student's community and personal experiences are valuable resources to be explored. Kardia, D.
