Combining scholarly narrative, delightful stories depicting legends and stereotypes about Brahmins and brief biographies of some eminent Brahmins, the author presents a fascinating account of their character and obsessions, ideals and main achievements. People who perform actions and are attached to the world are pursuing a futile path, and This Upanisad accordingly declares: "Let the wise man, having examined the world and perceived the motives and the results of actions, realize that as from a blazing fire Visible Gods: The Brahmins of India proceed, living souls originate from the indestructible Brahman and return to Him.

The strength of Hinduism, he emphasized, lies in its infinite adaptability. His faculties refer to natures out of him, and predict the world he is to inhabit, as the fins of the fish foreshow that water exists, or the wings of an eagle in the egg presuppose air. Also, there is nothing to show that the Vedic Aryans of India maintained an active cultural relation with their brethren in Iran.
