You already have the college experience in common; bringing up old times makes for an easy conversation starter. Some examples include cooking yourself a nice meal, taking a long bubble bath, working on a project you love, or watching your favorite movie. The same person who had told me commitment made her feel sick six months ago was now talking about living with a boy, and even marrying him one day.

Try to gently remind her that it's okay for people to have more than one friend. Perhaps the most painful end to a friendship is the one-sided rejection—one friend turns away, or chooses someone else as a close friend, and the other child is left feeling abandoned and wondering why things fell apart. Thanks to this article, I know now that I should write my feelings. How do I stop them without seeming rude or uptight?

In the case where you keep getting left out, you may have to accept that you can't. Today. Check mark icon A check mark.
