The production and consumption of Internet porn, in her account, are a symptom of the obsession with self-exposure in today's social networking media, which is, in turn, a symptom of the modern democratic construction of the governable subject as both transparent and communicative. In fact, Grebowicz highlights a paradox in the modern use of Internet porn as both a way of promoting freedom of expression and a way of controlling it.

At its core, confidentiality is about people trusting other people to protect their secrets. Translated by Elizabeth Rottenberg. Political Correctness Gone Mad?
