We must not let fear run amok and become haters of things we do not understand. Slaughter At Ghastar is the first in an all-new spin-off series of novellas set in the apocalyptic Era Of Darkness. Bethefirsttowriteareview. I would hope that CDC has learned something from this and taken steps to support sudden and massive traffic spikes. I use one of those under-the-bed plastic bins. That was quite possibly the only way you could have gotten me to visit the CDC website and actually read an emergency preparedness blog!!
