Matson introduces video clips demonstrating effective and ineffective expert testimony at deposition and trial. These situations can be uncomfortable – or, in some cases, may even feel threatening. Recommend to Librarian.

His expert is in the field of chemical emissions, water and wastewater treatment.

Reviews Praise for the Previous Edition: " Effective Expert Witnessing is a well-conceived and well-written book that organizes the often seemingly chaotic proceedings of litigation into a logical, structured, step-by-step process, one that individuals outside the legal community can readily understand.
