YIRA members automatically receive the update. This book provides a serious examination of the allegations about Venezuelan involvement in the drug trade, terrorism, and intervention; the view that the unilateralism of the United States threatens world peace; and the future of relations between the two countries. The most probable outcome for future Venezuela-FARC relations, however, is the one that promises maximal political stability: preserving the status quo. Language:English. The ebb and flow of Venezuelan support suggest that the types and quantities of aid were subject to larger geopolitical factors and strategic objectives. The Yale Review of International Studies is an undergraduate journal dedicated to publishing both opinion and long-form scholarship on contemporary global issues: their origins, present effects, and the future they will shape. The future is far from certain. Even between and the period of greatest Venezuelan-FARC cooperation, state Schoen.
