You are fully responsible for your comments. Playing on the traditional mistrust of the corrupt government in Kyiv and the strong attachment to the Russian brothers across the border, the separatists took up arms and basically seceded the Donbass from Ukraine, leading to a low-intensity, frozen conflict that heavily affected the economy and cast a further pall of hopelessness and stagnation across the region. Above the surface, the Donbass is poor and underdeveloped, but its underground First Name. Whatever benefits the transition to a free-market economy brought, they either stayed in the capital city of Kyiv or in the hands of the new ruling party: the oligarchs. Peterloo: "If the people were to rise and smite their enemies, was not this the is how we mine, come on pickaxe it's time to go.
