Necessarily repetitive and depressing. These davits are  
specially designed for dealing with two, and, where necessary,  
three, sets of lifeboats-i.

Can't put it down, Have to keep reading. It would hardly seem necessary to mention  
The personal accounts of the sinking are very stark, very  
honest, and will have you on the edge of your seat! It was  
very interesting to hear from the survivors accounts.  
Free delivery worldwide. I found the accounts from the survivors fascinating.
