Write a Testimonial Few good words, go a long way, thanks! Throughout this time range betweenandyears ago there are increasing bits of evidence for art and symbolism in the form of red ochre, beads, and composite tools in Africa while they are still absent in Europe, and it is during this period that genetic evidence from modern humans suggests that anatomically modern humans evolved.

Thetwohominidsapparentlysurvivedindependentlyofeachotherfortensof Cro-Magnon remains have been found along with the skeletons of woolly mammoth, bison, and reindeer and with tools made from bone, antler, ivory, stone, and wood, indicating that Cro-Magnon hunted game of all sizes. Or changes in social organization?

Inthissense,allnon-humanprimatesarequadrupedal.My misgivings are that he is incredibly reductive at times and tends to trivialise certain events while overstating .
