I remember the book being sort of old looking with a green hard cover. I am looking for a fantasy book that came out in the eighties that involved a reluctant hero, sort a homebody, who loved making cheeses.

The main character is an enhanced super soldier who's turned against this company. Karrie Kline had kissed her share of frogs. He takes her to his country home, and she gets along with his staff. Sorry, I think I initially posted this in the wrong place: I'm trying to find a series of books involving a black-haired catholic heroine marrying an autocratic hero.

About to be executed for murder, Yelena is offered an extraordinary reprieve. I remember the book being sort of old looking with a green hard cover.
